Early in his childhood, the family moved to Hannibal, Missouri - a town which would provide the inspiration for St Petersburg in Tom Sawyer and Huckleberry Finn. When he started writing in earnest in his thirties, he adopted the pseudonym Mark Twain (the cry of a Mississippi boatman taking depth measurements, meaning 'two fathoms'), and a string of highly successful publications followed. His later life, however, was marked by personal tragedy and sadness, as well as financial difficulty. In 1894, several businesses in which he had invested failed, and he was declared bankrupt. Over the next fifteen years he saw the deaths of two of his beloved daughters, and his wife. Increasingly bitter and depressed, Twain died in 1910, aged seventy-four."
