révolue." - Value Rich Magazine, Palm Springs "Un jour, il m'a emmené avec lui dans une Ford decapotable toute neuve, avec seulement quelques kilomètres au compteur. Il a conduit à toute vitesse pendant tellement longtemps sur l'autoroute que le moteur a commencé à fumer et a fini par s'enflammer. Il a alors ralenti et il m'a crié: "Clax, quand je te dirai de sauter, saute!" Nous avons sauté tous les deux, juste au moment où la voiture s'est embrasée complètement. Steve s'est assis au bord de la route, à une bonne distance de la voiture en feu, et il s'est mis à rire comme un fou." - William Claxton

Partageant la même passion pour les voitures de sport, Steve McQueen (1930-1980) et William Claxton se sont liés d'amitié très tôt dans la carrière de McQueen et sont restés proches jusqu'à la mort prématurée de l'acteur. Claxton a suivi les diverses incarnations de McQueen (casse-cou, pilote de motocross comme de voitures de sport, star de cinéma, séducteur, père de famille, etc.), et a réussi à saisir chaque fois un autre aspect de la mystérieuse personnalité de McQueen, le gentil / mauvais garçon. Comme en témoigne cet album photo, le talent et la sensibilité photographiques de Claxton s'accordaient parfaitement au caractère de l'acteur aux multiples facettes. Voilà le vrai Steve McQueen, immortalisé par l'objectif d'un véritable ami.
