So, once you requirement the books swiftly, you can straight get it. When folk should go to the ebook retailers, research onset by store, category by category, it is in point of in fact difficult.

"Reseña del editor In a sweeping cultural history of Russia from the

rise of the house of Romanov in 1613 to its downfall at the hands of the Bolsheviks in 1917, Solomon Volkov effortlessly unwinds the twisted relationship between art and the royal family. Throughout the Romanov dynasty, Russia's greatest artists and thinkers, painters and poets, composers and dancers, served two masters. Devotion to craft or principle could never wholly eclipse dependence on the tsars. Similarly, consumers of Russian culture could never respond without political consideration: Volkov recounts how, at the 1836 premiere of Glinka's opera *A Life for the Tsar*, fashionable audiences watched Nicholas I in his private box to see how they ought to react. He wept, and they wept accordingly. In this spellbinding story, we watch the great figures of Russian history clash. Alexei, father of Peter the Great, befriended the writer Avvakum only to banish him; the next tsar, Fedor, had Avvakum burned alive. Using her notorious charms, Catherine the Great masterfully wielded political control over her culture industry. For

his part, Pushkin became the first favored artist to resist the tsar's influence. His poem "To Liberty" is cherished as a revolutionary work of dissent. But even Pushkin's genius went unspared: Alexander tired of the poet's literary and amorous freethinking and banished him from St. Petersburg. Romanov Riches is a work of epic scale that never sacrifices individual characters for broader themes. Gogol, Dostoevsky, and Tolstoy are presented in a devilishly intricate dance with their royal patrons. A truly essential work for anyone who wants to understand Russia's passionate devotion to its most important artists, it is the prequel to Volkov's acclaimed work The Magical Chorus: A History of Russian Culture from Tolstoy to Solzhenitsyn. Biografía del autor Solomon Volkov is the award-winning author of Shostakovich and Stalin, among other books about Russian culture. He is a cultural commentator for Radio Free Europe/Radio Liberty. He lives in New York City with his wife, Marianna."
