"Recensione 'Tony Iommi - and I have said this a zillion times - should be up there with the greats. He can pick up a guitar, play a riff, and you say, 'He's gotta be out now, he can't top that.' Then you come back, and I bet you a billion dollars, he'd come up with a riff that'd knock your fucking socks off' Ozzy Osbourne 'Sabbath got me started on all that evil-sounding shit, and it's stuck with me.

Tony Iommi is the king of the heavy riff' James Hetfield, Metallica Dalla quarta di copertina Tony Iommi, rock guitarist and Black Sabbath legend, invented the heavy metal sound that changed rock music forever . . . from working class Midlands roots, Tony Iommi's unique playing style - a result of a disfiguring hand injury he suffered working in a sheet metal factory - created a dark and gothic sound unlike anything that had been heard before, spawning generations of devoted fans. Black Sabbath went on to become a superband, and Iommi led the life of a rockstar to the fullest - with the scars from all the nights of wild excess to show for it. In Iron Man, Iommi goes on the record about Sabbath and tells his story: the life and adventures of one of rock's greatest heroes. 'Tony Iommi is the true father of Heavy Metal, a continuously creative genius riff-meister, and one of the world's great human beings' Brian May'Without Tony, heavy metal wouldn't exist. He is the creator of heavy! Tony is a legend. He took rock and roll and turned it into heavy metal' Eddie van Halen'Mr Iommi, aka . . . The riffmaster. It's all his fault I am where I am' James 'papa HET' Hetfield L'autore Born in the midlands, Tony Iommi is the co-founding member of Black Sabbath, and creator of the sound that came to be known as Heavy Metal, one of the most enduring and important British contributions to popular music."
