"Críticas Judy Shepard executive director of the Matthew Shepard Foundation Every parent should read this book. It's a wonderful resource that I wish had been available to me. Michael Thompson coauthor of Raising Cain: Protecting the Emotional Lives of Boys Kevin Jennings provides the kind of wise counsel that will help parents preserve their relationships with their children. He helps us to understand the stages of understanding through which all children and families need to pass in order to achieve family peace. Reseña del editor The first book to focus on the day-to-day experiences of adolescents dealing with sexual identity issues, Always My Child provides the insights and practical strategies parents need to support their kids and cope themselves. Parents whose children are gay, lesbian, bisexual, transgender or who are going through a "questioning phase" are often in the dark about what their children face every day. As a result, offering support that will comfort and fortify them feels like solving a puzzle with missing pieces. In Always My Child, Kevin Jennings supplies the missing pieces by guiding parents through the world their child inhabits. He explains what these teens often encounter -- teasing and harassment -- and offers solutions for parents who want to better understand their LGBTQ children and learn how to protect their self-esteem. He offers advice, including how to: Initiate constructive communication with their child Respond effectively to frequently asked questions Recognize depression and signs of drug abuse and harassment Successfully advocate for their child's well-being outside the home Always My Child makes it possible for parents to create the kind of relationship with their children that allows them to grow into emotionally healthy adults. Biografía del autor Kevin Jennings is cofounder and executive director of the Gay, Lesbian and Straight Education Network (GLSEN) and a Harvard graduate."

**If your child is playing fortnite on an xbox or playstation you can use the parental controls to limit the length of gaming sessions even if they are not on xbox or ps4 it s a good idea to set definite play session times e g 1 hour and use a stopwatch timer or ask alexa to countdown**

Split custody orders e into play when there is more than one child custody of one sibling can be granted to one parent while the custody of the other s is granted to the other parent it s also important to note that child custody is not the same as care and control of the child care and control is the right to make decisions on the child s day to day matters such.
