The Step-by-step practical guide to Mysticism & Spiritual Meditations From the beginning of time, Man's curiosity led him to question what was around him. It was the search for the origin of life, the universe, the psyche, consciousness, and God that also led him to question himself and his own existence. In seeking to flee from sorrow and pursue lasting happiness, Man came to realize that there was something else besides his mere five senses. Man thus began his journey in search of the perennial mystical wisdom and realization. This is a book centered on mystical practices. Here the reader will find detailed mystical practices and meditations that will assist him in establishing a suitable mystical routine, from the basic setup to the most advanced practice by which a student can accomplish this ultimate godly realization. The physical embodiment of the divine is also relevant, and that will be addressed. The mystical practices are divided into primary and secondary phases which include, but are not limited to: Attention and Awareness The Mystic Breath Bodily Illumination The Art of Relaxation Breathing Techniques Vital Force Creating and charging Mystical Amulets Sacred Syllables and Mantras Energy Centers and Chakras Awakening the Inner Vision Out-of-Body Exploration Impregnation of meals Mystical Bath Subtle Noticing Divine Absorption We sincerely hope the reader enjoys this work and that it may serve as the fertile ground from which the divine tree of mystic wisdom can grow back towards its perennial source.
