"Críticas ""I can imagine only one thing more pleasurable than reading this book: writing it. . . . You risk misunderstanding America if you don't read [David Thomson] on the movies.""-Dennis Drabelle, Washington Post Book World ""Jack [Warner] is lucky to have a man who has brought a lifetime of sitting in theaters, shellacked by the beams of the projectionist's light, and who has thought so deeply and eccentrically and opinionatedly and ultimately so brilliantly about him. We, his readers, are lucky too.""-Leslie Epstein, Wall Street Journal ""Thomson is a British critic whose powers of thumbnail portraiture and plush, velveteen critical judgment . . . are on vivid display as he brings the brothers to life. . . . Thomson's signature note: a mixture of excitement and rue wrapped up in a sweeping paradox that leapfrogs into the gnostic-philosophical realm. Chop it up into lines of dialogue and it's exactly the kind of sardonic wisecrack you might have found in the mouth of Bette Davis in any of the pictures she shot for Warner Brothers. . . . For those new to Thomson's magic-carpet rides: Sit back, hold on and enjoy the view.""-Tom Shone, New York Times Book Review ""Thomson's writing is a killer mix of elegance, erudition and punchiness, a violin case holding a machine gun.""-Victoria Segal, Sunday Times ""A fascinating new book lifts the lid on the cut-throat, exploitative and often inspired men who produced many of our favourite film classics.""-Peter Sheridan, Daily Express ""Nobody writes about the movies with quite the same blend of fond affection, heart-racing excitement and razor sharp insight as David Thomson.""-Allan Hunter, Sunday Herald ""Told with all Thomson's style and brio, and it paints an irresistible portrait of the studio during its glory days.""-Philip Kemp, Total Film ""Warner Bros thrums with the kind of insights and asides that have long made Thomson the finest film critic ever.""-Christopher Bray, Spectator ""David Thomson writes about the cultural and historical significance of cinema with irreverent wit, deep knowledge and devotional lyricism. Warner Bros (the studio, the films, and the immigrant brothers themselves) becomes a fascinating lens through which to examine American identity.""-Dana Spiotta, author of Innocents and Others and Eat the Document ""I believe David Thomson to be one of the very best and most incisive writers on film. He has a poetic and dreamlike understanding of what films mean, but is precise in his observations. He presents a very, very high level of understanding in language that is not only accessible, but often witty and stunningly original.""-Jeanine Basinger, author of The Star Machine Reseña del editor From the prizewinning Jewish Lives series, behind the scenes at the legendary Warner Brothers film studio, where four immigrant brothers transformed themselves into the moguls and masters of American fantasy Warner Bros charts the rise of an unpromising film studio from its shaky beginnings in the early twentieth century through its ascent to the pinnacle of Hollywood influence and popularity. The Warner Brothers-Harry, Albert, Sam, and Jack-arrived in America as unschooled Jewish immigrants, yet they founded a studio that became the smartest, toughest, and most radical in all of Hollywood. David Thomson provides fascinating and original interpretations of Warner Brothers pictures from the pioneering talkie The Jazz Singer through black-and-white musicals, gangster movies, and such dramatic romances as Casablanca, East of Eden, and Bonnie and Clyde. He recounts the storied exploits of the studio's larger-than-life stars, among them Al Jolson, James Cagney, Bette Davis, Errol Flynn, Humphrey Bogart, James Dean, Doris Day, and Bugs Bunny. The Warner brothers' cultural impact was so profound, Thomson writes, that their studio became ""one of the enterprises that helped us see there might be an American dream out there." About Jewish Lives: Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity. Individual volumes illuminate the imprint of Jewish figures upon literature, religion, philosophy, politics, cultural and economic life, and the arts and sciences. Subjects are paired with authors to elicit lively, deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present. In 2014, the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award, the first series ever to receive this award. More praise for Jewish Lives: ""Excellent."" -New York Times ""Exemplary."" -Wall Street Journal ""Distinguished."" -New Yorker ""Superb."" -The Guardian Biografía del autor David Thomson is a film critic and historian, and the author of more than twenty books, including The Biographical Dictionary of Film, now in its sixth edition."

David Thomson is arguably the world's greatest living film critic and writer on the movies his new biographical dictionary of film was voted by sight and sound the best book on film ever written his latest book Warner Bros: The Making of an American Movie Studio charts the history of the ultimate family business taking us behind the scenes of the legendary Warner Brothers film studio

Directed by Richard Schickel with Clint Eastwood Susan Orlean John Barrymore Jack Warner Jr.

From the prizewinning Jewish Lives series behind the scenes at the legendary Warner Brothers film studio where four immigrant brothers

transformed themselves into the moguls and masters of American fantasy Warner Bros charts the rise of an unpromising film studio from its shaky beginnings in the early twentieth century through its ascent to the pinnacle of Hollywood influence and popularity

Warner Bros owes a debt to Neal Gabler's 1988 book *An Empire of Their Own*, one of the great works of film scholarship in the last 30 years. The question hovering over Thomson's book is thus does the thesis gain strength for being narrower in focus. Thomson is a British critic whose powers of thumbnail portraiture and plush velvet critical judgment are on vivid display as he brings a rare version had a still logo in the style of the 1992 WB logo with the Warner Home Video banner

replacing the Warner Bros Pictures banner and the Time Warner Entertainment byline below that it appeared on an ad for *Cats Don't Dance* which was used on the VHS releases of *Shiloh* and *The Swan Princess: Escape from Castle Mountain* and was never used as a real logo.

Stock courtesy of Warner Bros Clint Eastwood's film scores big thanks to military outreach Oscar pedigree and a big dose of carefully managed controversy this story first appeared in the Jan
