"Pressestimmen 'I deem *Metaphor and Emotion* to be a substantial work ? I believe that any literary-linguistic scholar interested in cognition, emotion or metaphor will find this work hugely rewarding.' *Language and Literature*' *Metaphor and Emotion* contains much that is interesting, even intriguing ? Though the book's emphasis is firmly on linguistic analysis, *Metaphor and Emotion* will also be rewarding and suggestive for philosophers, psychologists and anyone eager to look in more detail at the relative place of language, body and culture in the constitution of human emotions.' *Philosophical Writings*'? an informative, readable and at times entertaining overview of metaphor and culture.' *The Psychologist* Über das Produkt Many researchers claim that emotions arise either from human biology (i.e., biological reductionism) or as products of culture (i.e., social constructionism). This book challenges this division between the body and culture by showing how human emotions are to a large extent 'constructed' from individuals' embodied experiences in different cultural settings. Alle Produktbeschreibungen"
