"Synopsis This history of the Soviet BMP armoured infantry vehicle, one of the most revolutionary advances in infantry tactics and armoured-vehicle design of the post-war era, describes its development and combat history since the 1960s, and includes contemporary photographs and colour plates and cut-aways. Über den Autor und weitere Mitwirkende Steven J. Zaloga was born in 1952. He received his BA in history from Union College, and his MA from Columbia University. He has published numerous books and articles dealing with modern military technology, especially armoured vehicle development. His main area of interest is military affairs in the former Soviet Union and Eastern Europe in the Second World War, and he has also written extensively on American armoured forces."
