"Reseña del editor Midoriya inherits the superpower of the world's greatest hero, but greatness won't come easy. What would the world be like if 80 percent of the population manifested superpowers called ?Quirks?? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? In the third match of the joint battle training, the students of Class 1-A have their hands full dealing with the unexpected creativity of Class B's Quirk use. These matches give everyone a chance to reflect on exactly where they all stand in comparison to each other and on the events in their lives that have brought them to this point. Then it's time for Bakugo to show what he's learned... Biografía del autor Kohei Horikoshi was born in Aichi, Japan, in 1986. He received a Tezuka Award Honorable Mention in 2006, and after publishing several short stories in Akamaru Jump, his first serialized work In Weekly Shonen Jump was Oumagadoki Doubutsuen in 2010. My Hero Academia is his third series in Weekly Shonen Jump."
