The international bestseller: a compelling love story from the leading Israeli novelist of his generation "We could be like two people who inject themselves with truth serum, and at long last have to tell it--the truth. I want to be able to say to myself, 'I bled truth with her,' yes, that's what I want. Be a knife for me, and I, I swear, will be a knife for you." An awkward, neurotic seller of rare books writes a desperate letter to a beautiful stranger whom he sees at a class reunion. This simple, lonely attempt at seduction begins a love affair of words between Yair and Miriam, two married, middle-aged adults, dissatisfied with their lives, yearning for the connection that has always eluded them--and, eventually, reawakened to feelings that they thought had passed them by. Their correspondence unfolds into an exchange of their most naked confessions: of desire, childhood tragedies, joys, and humiliations. Through the dialogue between Yair--a family man and surprisingly successful adulterer, whose complex, guarded letters reveal a life of secrets kept from the people closest to him--and Miriam, at first deceptively open and warm, who fills her life with distraction to avoid a past full of painful secrets, Be My Knife explores the nature and the limits of intimacy. A deep departure from David Grossman's previous work, Be My Knife is his subtlest, most passionate novel yet.

L'étranger french literature is a 1942 novel by french author  
albert camus its theme and outlook are often cited as examples of  
camus's philosophy absurdism coupled with that of  
existentialism though camus personally rejected the latter label

the title character is meursault an indifferent french algerian  
described as a citizen of france domiciled in north africa a man  
of. In my opinion the reader captured the tone of the novel and  
the voice of each character were it not for the pronunciation  
errors scattered throughout it would be a near flawless reading  
and i listen to a lot of audiobooks with a a lot of narrators from  
great to awful and everything in between. The subtle knife is the

second installment in the his dark materials trilogy in which  
pullman has created an alternate universe nearly as vivid and  
credible as our own whereas the golden pass was set in a parallel  
world in which bears talk and witches fly the action of its sequel  
occurs primarily in our own world.

This time the long knife did not seem to be much different from  
before but chen mo was keenly aware that this time the silver  
gray long knife surface was slightly smoother although it didn't  
reach the kind of flatness that he wanted like the real knife it was  
not as boring as before and even the knife edge became sharper.

This is a great book under the knife was originally published in  
1990 as harlequin intrigue 136 yes it is a romance novel it is also  
the only one of gerritsen's early books to take place in and  
around a hospital though it is more of a murder mystery than a  
scientific thriller like her recent work. Audio books amp poetry
