In time, the shy Rabbit befriends the tattered Skin Horse, the wisest resident of the nursery, who reveals the goal of all nursery toys: to be made 'real' through the love of a human. When a child loves you for a long, long time, not just to play with, but REALLY loves you, then you become Real.' This sentimental classic--perfect for any child who's ever thought that maybe, just maybe, his or her toys have feelings--has been charming children since its first publication in 1922.
