"Pressestimmen 'If you can only afford to buy one textbook this year, make it Auerbach's Wilderness Medicine' 2017 BMA Awards: The BMA Illustrated Book Award 'This is the essential book for healthcare providers wishing to enhance their knowledge of urgent or emergency self-care and/or care for

the masses during personal travel, exploration, or medical relief situations. The pairing of the print book with online access provides readers the portability required for world travel. This seventh edition is essential to present current state-of-the-art and cutting-edge information. As an emergency medicine physician and wilderness medicine enthusiast, I turn to Auerbach's as the authoritative gold standard.' - Keith D Henry, MD, FAAEM (Regions Hospital and Level 1 Trauma Center) for Doody's Review Services Rezension
The most up-to-date information from the most well-known name in wilderness medicine! Alle Produktbeschreibungen"

Auerbach's original textbook published in 1983 was titled management of wilderness and environmental emergencies and was coedited by Edward Gehr. They were both recent emergency medicine residency graduates with an interest in education and this landmark publication was the beginning of the specialty of wilderness medicine.
