"Pressestimmen 'This book is over 100 pages of fun. It offers clever brain challenges, activities designed to give the brain a much-needed break, and even explains how the Rubik's Cube can actually improve the thinker's life... The pictures are vibrant and detailed, leaving nothing to the brain enthusiast's imagination.' --New York Journal of Books'This book will capture your attention from the very beginning!' --School Library Connection'Black and white photos, O'Malley's cartoon-style recruitment posters and illustrations, and a narrative tone free of textbook stuffiness combine to create broad appeal.' --BCCB Über den Autor und weitere Mitwirkende Jennifer Swanson has written more than twenty books in school and library focused series for National Geographic, Charlesbridge, and various other publishers. She attended the Naval Academy, where she received in BA in Chemistry. In addition to working as a full-time writer, she is a middle school science instructor for John Hopkins University's Center for Talented Youth."
