"L'autore Courtney Acampora holds a B.A. in art history from San Diego State University and a M.A. from the University of Arizona. Currently working in publishing, Courtney's lifelong love for both art and books fused together and gave her the opportunity to write and create engaging books for kids. Courtney lives in San Diego, California. Franco Tempesta was born in Milan, Italy. Since he was a child, he loved drawing animals, dinosaurs, and dragons. Specializing in naturalistic illustration, in the last ten years he has focused his attention on the realization of realistic images of dinosaurs and primitive mammals. He has collaborated with national and foreign publishers, such as National Geographic, Random House, Firecrest Publishing, Geoworld, and important advertising agencies of Italy. Since 1990, he has been a member of the Italian Illustrators Association. In April 2014, the Museum of Paleontology of Naples hosted a permanent exhibition dedicated to his illustrations of dinosaurs. Franco Tempesta loves nature, the sea, diving, and traveling."

Many of his greatest discoveries including the first specimens of tyrannosaurus rex ever found are on display in the museum s dinosaur halls today in addition to patience and sharp observation skills paleontologists employ new technologies to solve unanswered questions about dinosaurs and other fossils
