The Devil s Daughter is a 1973 American made for television horror film starring Shelley Winters Belinda Montgomery and Robert Foxworth It originally aired as the ABC Movie of the Week on January 9 1973

I really loved the series before and I have played all of them My main problem is that Devil s Daughter is not an adventure game any more but a QTE abusing console sh t And of the said

genre there are a myriad out there that are a lot better Frogware was making Sherlock adventure games before and built up a solid fan base in like a decade. Watson has little to no role in the game and is just there to give idle dialogue but can be controlled briefly sometimes AI will become repetitive after 2 minutes by expressing the same thing or doing the same motion All in all Sherlock Holmes The Devil s Daughter is a great detective thriller that will last a player a day at a minimum.
