"Reseña del editor Among the oldest of India's spiritual texts, the Upanishads are records of intensive question-and-answer sessions given by illumined sages to their students - in ashrams, at family gatherings, in a royal court, and in the kingdom of Death. The sages share flashes of insight, extraordinary visions, the results of their investigation into consciousness itself. The Upanishads have puzzled and inspired wisdom seekers from Yeats to Schopenhauer. In this best-selling translation, Eknath Easwaran makes these challenging texts more accessible by selecting the passages most relevant to readers seeking timeless truths today. This book includes an overview of the cultural and historical setting, with chapter introductions, notes, and a Sanskrit glossary. But it is Easwaran's understanding of the wisdom of the Upanishads that makes this edition truly outstanding. Each sage, each Upanishad, appeals in a different way to the reader's head and heart. For Easwaran, the Upanishads are part of India's precious legacy, not just to Hinduism but to humanity, and in that spirit they are offered here."

The aitareya kauṭiki and taittirīya upanishads may date to as early as the mid 1st millennium bce while the remnant date from between roughly the 4th to 1st centuries bce roughly contemporary with the earliest portions of the sanskrit epics one chronology assumes that the aitareya taittirīya kausitaki mundaka prasna and katha upanishads has buddha s influence and is consequently

Easwaran takes one of india s classic wisdom texts the katha upanishad and explains how it embraces all the key ideas of indian spirituality within the context of a powerful mythic quest the story of a young hero who ventures into the land of death in search of immortality easwaran shows how the katha upanishad can help us understand our lives today illustrating the insights of the.
