"Amazon.de Hawaii has perhaps the most culturally diverse population on earth. The story of how the Polynesians, Chinese, Japanese, Portuguese, Korean, Filipinos, Okinawans, Puerto Ricans, various Southeast Asian peoples, and Caucasians (known as haoles) brought together their culinary traditions on these islands makes fascinating reading. Laudan concentrates on local food rather than the world-class glamour of the Hawaiian regional cuisine cooked up by famous island chefs Amy Ferguson Ota and Roy Yamaguchi. She presents the polyglot world of the plate lunch, Spam, mochi, seaweed, shaved ice, sushi, and all the other dishes that Hawaiians really eat every day. Primarily a living and lively culinary history, this book does include recipes for the most commonplace Hawaiian dishes. Pressestimmen The best book of its kind available... Read the sections on Spam, shave ice, crack seed and mochi for a delightful insight to the curious treats that comprise true Island cuisine. Never pedantic, always entertaining... the result of careful research yet not intimidating. Here is a book to savor, a book to share with those who love the Islands and its food as much as you do.-- 'Honolulu Weekly'Marvelous.... The 150-odd recipes constitute a matching jumble. They are as cheerfully lawless a bunch as I've seen in any cookbook.-- 'Los Angeles Times'Definitive. A delightful collection of recipes, history, humor and insight.-- 'Honolulu Magazine' Alle Produktbeschreibungen"
