"Pressestimmen ?Eugene Sledge became more than a legend with his memoir, With The Old Breed. He became a chronicler, a historian, a storyteller who turns the extremes of the war in the Pacific?the terror, the camaraderie, the banal and the extraordinary?into terms we mortals can grasp.??Tom Hanks ?In all the literature on the Second World War, there is not a more honest, realistic or moving memoir than Eugene Sledge?s. This is the real deal, the real war: unvarnished, brutal, without a shred of sentimentality or false patriotism, a profound primer on what it actually was like to be in that war. It is a classic that will outlive all the armchair generals? safe accounts of?not the ?good war??but the worst war ever.??Ken Burns Über den Autor und weitere Mitwirkende E. B. ?Sledgehammer? Sledge was born and grew up in Mobile. In late 1943 he enlisted in the U.S. Marine Corps. After basic training, he was sent to the Pacific Theater where he fought at Peleliu and Okinawa, two of the fiercest battles of World War II. Following the Japanese surrender, Sledge served in China as part of the occupation force. Upon his return home, he obtained a Ph.D. in biology and joined the faculty of Alabama College (later the University of Montevallo), where he taught until retirement. Sledge initially wrote about his war experiences to explain them to his family, but he was persuaded by his wife to seek publication. Sledge died on March 3, 2001. Alle Produktbeschreibungen"
