"Críticas "It is an excruciatingly beautiful love letter to Audrey Hepburn... I cannot recommend Audrey: The 60s highly enough."--New York Journal of Books Reseña del editor This visual chronicle of Audrey Hepburn's iconic film and fashion career in the 1960s showcases the

beautiful actress at the pinnacle of her career, both in photo shoots and on the film set, from Breakfast at Tiffany's to Vogue. 25,000 first printing. Contraportada Audrey Hepburn, 60s icon. Audrey Hepburn charmed audiences in the 1950s as a new type of cinema personality; gamine, doe-eyed, and refreshingly casual. By the 1960s she had transformed into a trendsetting sophisticate and achieved unrivaled careers as an actress, model, movie star, and champion for underprivileged children worldwide. Curator and photographic preservationist David Wills has amassed one of the world's largest private collections of original Audrey Hepburn photographs. Now, in Audrey: The 60s, he has gathered spectacular museum-quality work from her key photographers; Richard Avedon, Bert Stern, Cecil Beaton, Douglas Kirkland, William Klein, Terry O'Neill, Howell Conant, Bob Willoughby, Pierluigi Pratulon, Bud Fraker, and many others; to create this stunning portfolio of images that pays homage to the most beloved and enduring style icon of the decade of change. Among the highlights: Rare and classic images digitally restored from their original negatives and transparencies. Never-before-seen publicity photos and candids from the sets of

Breakfast at Tiffany's, Charade, My Fair Lady, How to Steal a Million, and Two for the Road. Unpublished outtakes and rarely seen images from Vogue fashion sessions, some not published since their original appearance. Previously unpublished photos by Bert Stern, Cecil Beaton, Douglas Kirkland, William Klein, Howell Conant, Bob Willoughby, Pierluigi Pratulon, and many others. Pairing more than two hundred first-generation photos with reflections and original quotes from friends, photographers, designers, work associates, and Audrey herself, Audrey: The 60s is an unforgettable showcase of the actress's timeless beauty and extraordinarily influential style. Biografía del autor Australian-born David Wills is an author, independent curator, photographic preservationist, and editor who has accrued one of the world's largest independent archives of original photographs, negatives, and transparencies.
