"Pressestimmen 'Janice Stevenor Dale, JSDA: 'Clearly a more comprehensive resource book of this type is needed in the interior design profession. Well worthy of publishing, as it would rank on the most wanted list along with Architectural Graphic Standards.' Edward Friedrichs, FAIA, President, Gensler: 'There is a strong need for the proposed book. The interior design profession has been in a dramatic state of flux over the past five years. All the materials I know are either fragmented or outdatedCindy is one of the most thoughtful commentators on our profession. Synopsis A complete guide to the practice and business of interior design, complete for each different types of practice - commercial, retail, residential, healthcare, hospitality, institutional, preservation, and facility management. It includes useful forms, documents, contracts and resources for financial management, human resources and firm profiling. The book offers tips and techniques for effective marketing and promotion and provides guidelines for project management, estimating, specifying, space planning, and design.
