"Recensione Get your child immersed in Roman history as they read this essential guide for everyone joining the Roman army. The quirky cartoon-style illustrations add a great deal of detail to this fascinating book which is an excellent accompaniment to KS2 history. --Parents in TouchIt's good for kids because the diagrams and pictures are cartoony. I'd recommend it to my teacher and kids of 7 and up. I'd give it VIII out of X! --Remus (the British Museum Young Friends magazine) reader review"

The usborne official roman soldier s handbook a survival guide for the raw recruit book sims leslie this book reveals all the gruesome truths of life in the roman army including what soldiers ate what they wore and how they lived. Military manuals are known to have been used by the roman army and this book provides an educational but entertaining way of putting ancient history into modern hands the tone of the handbook is informal which is far more appealing to students than a dry textbook.

Roman soldier s handbook synopsis

a perfect survival guide for novice soldiers about how to stay alive in the roman army revealing all the gruesome truths of life in the roman army including what soldiers ate what they wore and how they lived witty illustrations plement the text creating a friendly and accessible

**introduction to
roman**

The roman army was a 3 week unit which is the backbone of the empire s power and the romans managed to conquer so many tribes clans confederations and empires because of their military superiority it was also the source of the empire s economic and political strength ensuring domestic

peace so that trade could flourish. This is based on the text roman soldier s handbook by lucia fabricius imperiosa this is a graphically pleasing and informative book which my class have enjoyed reading during our roman topic. Buy roman soldier s handbook by lesley sims ian mcnee
