it. What if you could find a powerful intrinsic motivator that enabled you to work on your dream every day, regardless of the obstacles fate will inevitably throw in your path? Four years ago, independent author Michal Stawicki hadn't published a single book. But since then, thanks to techniques he details in *Directed by Purpose*, he has written over million words, gathered a few thousand followers, published 15 books and now earns more from writing than 90% of current published authors. And he decided to write in English, which to him was a foreign language! Today, Michal's success has been featured in *Forbes* and *Business Insider*. In *Directed by Purpose* he explains how ALL of us can discover a meaning—a purpose—for life. This purpose will then guide us towards achievement and fulfilment, if we follow it.
