But now with the Berne and Levy Physiology 6th Test Bank you will be able to Anticipate the type of the questions that will appear in your exam Reduces the hassle and stress of your student life. Berne and Levy is good but a bit hard to understand and rather out of date as new edition is needed really Ganong is good for the facts but tends to lack detailed explanation of how and why

My favourite is the somewhat obscure book Medical Physiology by Boron and Boulpaep.
