"Reseña del editor Exam board: AQA Level & Subject: GCSE Biology First teaching: September 2016 First exam: June 2018 To support students in their completion of the required practicals on their GCSE Science (9-1) course, the Collins AQA lab book is the only resource that they need. This lab book will: provide

students with all the information they need to perform their required practicals; including the method, apparatus needed, common mistakes and safety tips? be the one place to record the outcomes of practicals, providing an easy reference for revision? challenge students with extra questions designed to improve analysis, evaluation and maths skills? prepare students for their examinations, with exam-style questions directly linked to the required practicals and apparatus use."
