"Pressestimmen Best for a romantic break ... Rom-com fans will lap it up. (GRAZIA)I was completely knocked sideways by how good Landline is. (Alison Flood THE BOOKSELLER)This clever romantic comedy is perfect company for a stretch on the beach. (GLAMOUR)This is a great journey book, as Georgie fumbles about finding herself and what she and Neal need to stay together. I recommend this to anybody for a fun summer read (even though it is set at Christmas!), and I really enjoyed the ups and downs of Georgie's Christmas turmoil. (THE GUARDIAN ONLINE)Landline's premise is fairly simple: given the chance to change a small aspect of the past, would you? But there's so much more. Rowell's way with dialogue is amazing (and useful, given that most of the book consists of telephone conversations). Neal's mother, only ever a presence on the other end of the line, is as well realised as any of the characters we get to 'see'. Landline is great on the complexities of adult relationships too, showing how a search for balance can be what love is made of and how a thousand tiny compromises mean more than the grandest romantic gesture (EMERALD STREET)If you could talk to someone in the past in order to influence the future, would you? That's the idea behind Rainbow Rowell's clever new book. (WOMAN) Werbetext The captivating, quirky and heartwarming new novel from the bestselling author of ELEANOR & PARK Alle Produktbeschreibungen"

Landline book read 18 487 reviews from the world s largest munity for readers geie mccoool knows her marriage is in trouble it has been in troubl

Parents need to know that landline is a 1995 set indie dramedy about a family dealing with infidelity that has strong language drug use and mature sexual content but is ultimately uplifting and sweet there are multiple scenes of characters unmarried and not both adults and teens having sex in various locations a couch a bed up against a tree with noises and thrusting one couple.

She brought emotion to the book was Landline worth the listening time yes 2 people found this helpful overall 4 out of 5 stars performance 4 out of 5 stars story 4 out of 5 stars Judebert 11 27 16 aware Landline was a realistic love story. Thriftbooks sells millions of used books at the lowest everyday prices we personally assess every book's quality and offer rare out of print treasures we deliver the joy of reading in 100% recyclable packaging with free standard shipping on us orders over 10.

Alas that last piece of nostalgia might be too soon for some but Landline a forlornly funny and emotionally bruising dramedy that rarely misses an opportunity to reveal humans as the flawed and occasionally awful beings that they are is more interested in the lack of communication that happens among family members and how secrets can fester and turn toxic when they aren't shared

Whilst Landline certainly wasn't my favourite Rainbow Rowell book i still loved it astronomically more than plenty of other books i love Rainbow Rowell just has a certain effect on me her words casting an irrefutable spell on my better judgement and enchanting the pages to flip on their own. Her fourth book Landline is the best selling author's first novel of adult fiction since her 2011 debut Attachments but the labels aren't worth stressing Landline might not have any teenage.

About book author Rainbow Rowell Geie McCool knows her marriage is in trouble it has been in trouble for a long time she still loves her husband Neal and Neal still loves her deeply but that almost seems beside the point now

Set in 1990s Manhattan Landline is a warm insightful and edic drama about a family united by secrets and lies co-written and directed by Gillian Robespierre obvious child. Top ment the phone was only 35 dollars all together and it has a speaker mode on it and it sounds fairly good but i do wish it was a little better on sound quality and loadness but 35 dollars its still very good phone im not turning it down and also
