The hilarious, heart-warming and tear-jerking memoir from one of Britain's best-loved comedians and actors, Matt Lucas. Hello there. Welcome to my autobiography. Throughout this book I talk about my life and work, including Little Britain, Come Fly With Me, Bridesmaids, Les Miserables, Alice In Wonderland and, of course, Shooting Stars. The thing is, this is a bit different to most memoirs you may have read, because it comes in the form of an A-Z. For instance, B is for Baldy! - which is what people used to shout at me in the playground (not much fun), G is for Gay (because I'm an actual real life gay) and T is for the TARDIS (because I'm a companion in Doctor Who now). You get the sort of thing. Anyway I hope you buy it at least twice. Thank you.

Me myself and i why autobiography is cursed by ur autobiography led to the first english vernacular on the title page of the first edition as a fictional autobiography. Me is an unfettable portrait of katharine hepburn as we have not seen her before it

is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn. The New York Times book review notes this edition does not include photographs. A great read for a Hampshire cricket fan. Just one bit of criticism: Shane in his book was stating that there is no more room for another petition in cricket because there is too much cricket being played then low and behold he is announcing that he is manager of one of the 100 teams a little 2 faced or does money talk.

I find my earliest memories covering the anachronistic features of a previous incarnation. Clear recollections came to me of a distant life a yogi 13 amidst the Himalayan snows. These glimpses of the past by some dimensionless link also afforded me a glimpse of the future. The helpless humiliations of infancy are not banished from my mind. Faithfull an autobiography is an autobiography by English singer songwriter and actress Marianne Faithfull written in collaboration with David Dalton. It was first published on 1 August 1994 by Little Brown and Company and reissued as a paperback in July 1995. The book was also accompanied by the release of a Pilgrimage album Faithfull a collection of her best recordings 1994. Any professional editing my guess is that it was written as a means to make a fast buck. That said the autobiography is worth reading because it is the only real glimpse many of us will ever get into the psyche of Nina Simone. I read that she was diagnosed with bipolar disorder in the 1960s and this was kept secret until well after her death.

**I found this book a little repetitive and dragged on. Pared to the upbeat writing in the Ian Wright book I found the book a little similar to Robbie's football career. Promised so much more but in the end failed. This is a frank autobiography by ex-liverpool and England striker Robbie Fowler.**
