An entertaining, enlightening look at the art of raising self-reliant, independent children based on one Mum's experiences in Germany.'Warm and companionable . . . I closed Achtung Baby feeling more relaxed and confident. While both my kids were up a tree.' - Helen Brown, Daily MailWhen Sara Zaske moved from Oregon to Berlin with her husband and toddler, she was surprised to discover that German parents give their children a great deal of freedom. In Berlin, kids walk to school by themselves, ride the subway alone, cut food with sharp knives and even play with fire. German parents did not share her parental fears and their children were thriving. Was she doing the opposite of what she intended, which was to raise capable children? Through her own family's often funny experiences as well as interviews with other parents, teachers, and experts, Zaske shares the many unexpected parenting lessons she learned from living in Germany. Achtung Baby reveals that today's Germans know something that other parents don't (or have perhaps forgotten) about raising kids with 'selbständigkeit' (self-reliance), and provides many new and practical ideas parents everywhere can use to give their own children the freedom they need to grow into responsible, independent adults.
